In A Quandary!

I bought this coin as a joke. It cost $30.00. When I received it, I noticed that it was a 1878-CC Morgan Dollar. Apparently, those who defaced this coin did not know its numismatic value. I place the coin in "very good" condition. Even in "good" condition the coin has a value of $125.00.

Do your homework! Find out the value of an item before you ruin it and sell a $125.00 coin for $30.00!!

I guess ignorance is bliss.
