President's Message

6/6/2022

D-Day, observed annually on June 6, brings overwhelming memories of the brave men and women who fought a strategically planned and well-executed battle that ultimately led to the end of the Second World War. It has been 78 years since that decisive day and those memories remain fresh to the over 300,000 living U.S. veterans of the war. The rest of us look to their legacy and the rich history of events told through museums and memorials. There is not a more important time than today for us to remember and honor them as we reflect on D-Day, June 6, 1944.

At last month's meeting, Maria Stillwagon's presentation on Women in Numismatics was postponed until later this year. As a replacement, Bob Luna showed us a few videos on PCGS grading techniques. Then we had several minutes to socialize until it was time for Show & Tell and our monthly coin drawing.

This month will be the club's 767th monthly meeting. Bob Luna will show us his presentation on the GSA Sale of the Carson City Silver Dollars and the 100th Anniversary of the Morgan and Peace Silver Dollars, 2021.

At this month's meeting we will be taking reservations for our annual July BBQ which will be held at Newhall Community Park in Concord on Sunday, July 17th, from 3:00 pm to 6:00 pm. The price is \$20 per person and includes BBQ chicken, pork ribs, Dave's award-winning cookies, and all the fixings. Please sign up at our next meeting. I'll also be asking for assistance in setting up this event.

Don't forget that we will be having our quarterly coin auction during our next meeting. If you have any coin duplicates or something else to put in the auction, please let Bill Hickman know.

We will be having our usual Show & Tell and coin drawing with lots of coins to choose from. We will also have our On-Time and Membership coin drawings as well. Please come and enjoy each other! I look forward to seeing all of you again.

Until then, see you,

Kyle Anderson

Diablo Numismatic Society Auction Rules

DNS auctions will take place 4 times per year, in conjunction with regular monthly meetings. Dates will be published in the Die Break. The purpose of the auction is to let members raise cash from unneeded or unproductive coins from their collections. Specifically, the purpose is not to put items up for bid at unreasonable prices. Accordingly, there will be no reserves or "holds" on items put up for bid. Consignors should list a "value" for each item and must cite the source of that estimated value.

We will also solicit auction items from dealers at prices which should entice bidders.

Club members will be limited to five submissions per auctions, unless otherwise announced. They must fill out an entry form describing each lot and containing the information listed in the foregoing paragraph. Priority will be given to members who fill out the entry form and submit it to the auction coordinator, Bill Hickman, by e-mail or delivery at least 7 days prior to the meeting. Last minute entries will be accepted, assuming there is space available, but should be delivered to the coordinator prior to the start of the meeting. Each auction will be limited to 30 lots. All submissions will be accepted at the discretion of the auction coordinator.
